

In order to participate in tournament events, the following guidelines MUST be adhered too for the safety of all officials, players, and spectators. If a participant in the event does not adhere to these guidelines, they will receive a warning from a tournament official. Subsequent deviations may result in the participant being disqualified from the event at the discretion of the tournament director.

- All officials and participants will always maintain 6ft social distancing.
- The dugouts will not be used. Teams will either stand/sit along their dugout side fence or sit in the stands using 6-feet distancing.
- There will be no spectators in the normal viewing stands. Spectators will be allowed to sit on the outside of the fencing in the outfield area. Extreme caution should be taken to avoid any home run balls hit in their respective direction. FHC will not be held responsible for any injury outside of the fenced area.
- There will be no concessions. Teams are advised to bring their own food and beverages.
- There will be no team gatherings allowed pre or post game.
- Utilization of the restroom facilities are allowed by all participants and spectators. Spectators must return to the viewing area outside the fencing in the outfield area.
- Physical contact to tag a player out in a run-down situation or forced play is an exception that will be allowed, but there is to be no lingering inside the 6-foot guideline once the play is made.
- All officials and players are encouraged to wash their hands frequently throughout the tournament.
- The use of face covers is optional.

COVID-19 is a serious virus and all precautions should be taken by all in avoid infection. Each team manager is required to review these guidelines with their team.

As manager of team: \_\_\_\_\_, I certify that I have reviewed all guidelines and accept these as requirement to participate in this tournament event.
